

Welcome!

This practice is to teach your dog to focus on the lure NOT to increase endurance. Our goal is to ensure your dog's safety and success in achieving the AKC or UKC CAT.

Your dog will have the opportunity of two runs "on the lure."

Please be prepared to precisely follow the trainer-lure operator's directions precisely.

You may leave a flat buckle collar (not a choke) on your dog during his runs.

You may use treats at the conclusion of the run.

Please inform the lure operator if your dog has had prior experience "on the lure."

Visibly aggressive dogs will not be permitted to run, and may be invited to leave the grounds.

Thank you for supporting the sport of Lure Coursing!
